

OPEN CALL FOR: MINI-NSU-FESTIVAL

The Arrkom invites participants of all circles from NSU-summer session 2018 to apply for a contribution to the Mini-NSU-Festival. The festival will take place on Friday the 3rd of July 2018 between 8-11 PM in various spaces on campus (inside as well as outside – given ok weather conditions).

The campus (Fårö Kursgård) is a camp/village with small buildings spread out on site. It is set in a beautiful Gotland-landscape – open fields with grass and flowers, as well as small gatherings of pine trees. Closeby there is a wood area and a beach.

We are looking for contributions between 15-20 min, either live performances/slams/presentations/interventions/.... or something that works as an installation throughout the night (e.g. film in a loop/ visual installation/ sound piece/ ...).

Participants will be chosen by Arrkom with special consideration to creating a festival with a wide range of contributions.

Send us an application latest by 1st of July, including name, contact details, description of your idea in max 200 words, information about the kind of space you are interested in (inside, outside....) and what infrastructure/material you need. Please send your application to: moa@nsuweb.org

We offer accepted participants 500 SEK for the contribution. You will be informed about our decision by 8th of July.

Looking forward to hear from you!
